STAGING AREA, HANDLER'S BRIEFING, AND WARM-UP INFORMATION

Staging Area will be out of view of search area(s). Staging area will include crating, warm-up and waiting area, as well as the secretary table for check-ins and posting of running order and results.

The **Handlers' Briefing** will take place in view of the search area prior to the start of each class, after the hide(s) have been set and after the Demo Dog has run. In the Handlers' Briefing the judge will explain if there's an off-leash option, number of hides, maximum height of hides and maximum time for the search. **NO DOGS** are to be present during the Handlers' Briefing.

A **warm-up area** will be available consisting of ONE marked container of each odor being tested at the trial and may also consist of blank containers. Exhibitors should limit their warm-up to two (2) minutes or less. The warm-up area is to be used exclusively for warming up the handler-dog team prior to their run, or for recovery after the run. The warm-up area is not for training or relieving of the dog. Please be mindful of the condition of the boxes.

SEARCH AREA AND RING CONDITIONS

Search areas may be of any shape, and of the size specified in the Regulations for each class.

Search Area Conditions. Searches may be indoors, on matted, carpeted, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces.

Search Area Sizes will be as per AKC Scent Work Regulations.

ADDITIONAL SITE INFORMATION

Trial Site. It is not appropriate to visit the trial location prior to the trial date. Many search locations are real-life environments, and such visits may risk the host losing the opportunity to use the location in the future.

Possession of Odors and Training. Chapter 5. Section 26 of the Scent Work Regulations state "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".

Spectator Area. Spectators are limited dependent on the search area. Please ask the Gate Keeper, Scribe or Judge prior to entering. Any person not handling a dog in the current class, or any persons who have already completed their runs in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their run except in the case of Handler Discrimination classes. No one outside the search area may assist the handler or disclose the location of the hide. Spectators who intentionally or unintentionally give aid to a team may be asked to leave the area by the judge. Spectators are forbidden to discuss details of the search until the completion of the class.

Crating space will be available on a limited basis. Crates may be left overnight; however, **SOTC** and the School will not be responsible for any lost or damaged items left at the show site. Please be sure to leave the crate area in the same condition as you found it, if not even better.

Exhibitors are responsible for cleaning up after their dogs. Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

RIBBONS, AWARDS, AND PRIZES

High in Trial (HIT) and High Combined (HCD)

Placement ribbons will be awarded in each class as follows:

First Place-Blue
Second Place-Red
Third Place-Yellow
Fourth Place-White
Qualifying Score-Dark Green

Only teams that enter all elements offered (Container, Interior, Exterior and Buried), at the same level (Novice and Advanced only) and QUALIFY in all four elements are eligible to win High in Trial (HIT). HCD is the same as HIT except Handler Discrimination is included. There is no separate HIT for the Novice A and Novice B sections and since there will not be Exterior and Handler Discrimination classes for Excellent and Master Levels, there will be no HIT or HCD for those levels.

The HIT and HCD are determined by adding the team's faults across the elements. If there is a tie based on faults, then the team's times across the elements will be added together and the faster-finishing team will win.

Teams winning High In Trial will each earn a special rosette.

A **New Title rosette** will be awarded to each dog and handler team finishing a title, including elite titles.

All exhibitors should obtain a copy of the Regulations for Scent Work, by downloading them here: <http://images.akc.org/pdf/rulebooks/RSW001.pdf>
